Cytel placement and training Program on “Career Opportunities in Pharmaceutical analytics”.

On 11th July, 2018 Department of Statistics Organized Cytel Placement and Training Program seminar on “Career Opportunities in Pharmaceutical analytics” for the students and faculties of Computer Science and Statistics. We invited 308 students and faculties who are interested in the field of data analytics from prestigious institutions like Atmiya University, Department of Computer Science Saurashtra University, Virani Science College, Harivandana College, Sunshine College, R.P.Bhalodiya College, M.P.Shah College, Sarvodaya College, M.J. Kundaliya English Medium College, Department of Statistics, Saurashtra University etc at Department of Statistics Saurashtra University Rajkot. It was conducted in two sessions (Morning 11:00AM to 1:00PM and Afternoon 2:00PM to 4:00PM). In the seminar Mr. Peyush Rajput, Mr. Kirtikant Barmeda and Mr. Krunal gave the information about their company, different training programs and their different modules. He gave information about work profile and which is based on Stephan. Experts from Cytel company (Multi-National Company) shared their precious knowledge with all of us. They shared opportunities for the practical internship for SAS programming careers in clinical research in India as well as abroad. They gave the direction to the students in the field of data analytics and opportunities in data analytics. They give the technical brief about the emerging technologies like Data Science, Big Data, Machine Learning, Deep Learning, Cloud Computing, Mobility, Artificial Intelligence and SAS-SPSS.

Students and faculties of Computer Science and Statistics from different institutions got the advantage of learning new technologies, opportunities in the field of data analytics from the experts of Cytel. Participants were very interactive and experts from Cytel

mentioned that participants are very intelligent and answering the many questions promptly.

Computer science department has organized seminar on basic knowledge of python and the real scenario between present and fresher as an employee. Ckk sir invited to **Hardik Sir** who belongs to **Emipro Technologies pvt. ltd.** Students of MCA-1, MCA-3, MCA-5, Msc it & ca-1, Msc it & ca-3 has attended the seminar.

Seminar was started at **10:30** A.M. and ended at **12:30** P.M.

Approx **90** students attended the seminar.

❖ Seminar summary in brief :-

- What things we need to care in real project?
- Basic concept and syntax about python...
- What are the real scenario at present and how as a fresher we can deal with it?
- How to be equipped with current technologies and so on...
- Responsibility and Approach are the things that require to become best Employee...

Computer science department provides opportunity to get knowledge about various things, we were very thankful for that.

Hardik sir gave us very good knowledge about python and fresher employee and was very friendly in nature. Students have really enjoyed the seminar.

We would like to Specially thanks, CKK sir for this type of activity.
