Inward No. ....358.....

Dear Sir,

It is to inform you that saurashtra university campus has been covered under "NAGAR NADANVAN YOJANA SCHEME" of government of Gujarat since 2007. Under this scheme tree plantation has been in 60 hectares of land of saurashtra university Rajkot. Under this scheme various trees like neem, amla, banyan, peepal, karanj, gulmahor, garmalo, peltoforam, sisoo, sessam, mango, harde, behra, aritha, lemon, rukhdo, saptaparni, etc planted in campus. In addition nursery with approximately 500 trees was created by department of forest of government of Gujarat at saurashtra university campus. The saurashtra university also by own initiative planted approximately 5000 trees planted covering 10 hectrs.

Taking into considerations all the above plantation area of saurashtra university campus this is certify that saurashtra university is a green campus.
